Sir/Ma'am;

Greetings!

I would like to express my sincere desire to apply Junior Web Developer . I am **Christian B. Maglangit**, 24 years old. I Studied three(3) years at St. Peter's College taking up Bachelor of Science in Information Technology. I am hardworking person and have sense of initiative, willing to learn. Given the opportunity I would consider it is a privilege to contribute my enthusiasm, reliability and perseverance to fulfil the job requirement necessary to meet your specifications.

Please go through it once. I appreciate your consideration. I look forward to hear positive reply from your side for an interview.

Respectfully Yours,

Christian B. Maglangit

Applicant
